

# Voluntary Chargeable Extras

2026/27

Government funding is intended to deliver 15 or 30 hours a week of funded, high quality, flexible early education and care. There must not be any mandatory charges for parents in relation to the funded hours.

Government funding is not intended to cover the costs of meals, other consumables, additional hours or additional services. Providers can charge for consumables, meals and snacks, extra activities and additional hours provided they are not mandatory charges or a condition of accessing a place.
